

ELEPHANT

PALE ALE
5.2%

Brewed with Loughran Brewers Select and Crosby Hops Elephant is full-bodied, hazy pale of powerful grace. Brewed to showcase the intensity of CGX hop pellets. Saturated notes of mango, passionfruit, and citrus from a punchy blend of Strata, El Dorado and Idaho 7. Fermented with London Fog yeast and built on a soft, creamy base of oats and wheat. A juicy, dank, and expressive beer for true hop lovers.
