

CRISPS

EXTRA EXTRA PALE ALE 4.6%

We wanted to make a beer that pairs perfectly with crisps, so we invited our friends from Five Points over to brew an Extra EXTRA Pale Ale. Lager and pale malts with flaked rice keep it light and snappy, while Riwaka and Nelson Sauvin hops bring lime zest and white grape. A touch of MSG—like in crisps—amplifies the flavour and makes the hops pop. Super dry, perfect with snacks.
