

FARMHAND

CONTINENTAL PALE 4.5%

Several years ago, we pulled up sticks and moved to the country to make beers that reflect our regions rich bounty and heritage. This Continental Pale is for our farmers working the land to put food on the table. Nicely effervescent to quench a well earned thirst with Waimea hops bringing lime and pine, Mandarina Bavaria and Saphir lend old world charm and a hint of tangerine.

TASTING NOTES
