

LIZARD

IPA
6.5%

Lizard is a collaboration IPA with Verdant, the Cornish haze maestros. Named after Cornwall's stunning Lizard Peninsula. Featuring a late harvested Nelson Sauvin hop - specially processed to enhance sweet tropical flavours while retaining subtle white wine notes. Like the adaptable lizard, Nelson Bliss evolves duration active fermentation dry hopping, revealing lychee, citrus, and mango. Simcoe, Mosaic Cryo and Citra Cryo add depth and Verdant's yeast amplifies the extra juicy profile.

TASTING NOTES
