

NOSTALGIA

CALIFORNIA COMMON 4.8%

In honour of those who came before, Nostalgia is a perfectly balanced American original. A deep amber California Common with a creamy soft head. Toast and caramel meld over a crisp, lingering bitterness that beckons you back for more. Woody spice aromas from Northern Brewer hops, with lager yeast fermented at higher temperatures to create distinct flavours. A nostalgic homage to the OG craft beer Anchor Steam.

TASTING NOTES
Crisp | Caramel | Toast
