RHUBARB REVERIE

Mills and Duration's Rhubarb Reverie is an exceptional beer with a distinctive blend of flavours. Initial tartness, derived from the rhubarb, mingles with subtle notes of vanilla, creating a sweet yet sour profile. The unexpected zing of grapefruit lends a citrusy edge, while the oak imparts a robust and earthy depth. This complex concoction is refreshingly unique and undeniably intriguing, making every sip a journey into a symphony of flavours.

At Duration, we enjoy making beers with a sense of time and place. Fermata means to pause, beers in this range are made over in our barrel store where we like to take things slow.
