## CZECH DARK LAGER
## 4.4%

When you get one of the UK's best lager producers over to make a beer - dare you suggest brewing a lager together? We went with 'YES'. Tmavé Pivo is our Czech Dark Beer brewed with Bristol legends Lost & Grounded. Pouring a beautiful mahogany colour with rich, dark malts bringing deep notes of toast and coffee, finishing crisp and clean with that snappy pop of bitterness that we love.
